A photograph of a red and white bus, likely a MAN model, parked on a street. The bus is slightly blurred, suggesting it might be in motion or the photo was taken with a shallow depth of field. The background shows a city street with buildings and a clear sky.A decorative graphic element consisting of three white, stylized, downward-pointing chevrons or zig-zag lines. These lines are set against a red background that also features a large, solid red circle to the right of the chevrons.
